

Drumbaragh School Newsletter Summer Mid Term 2022

Principal's News

This term so much is happening here in Drumbaragh School that a midterm newsletter was needed to share all of our exciting news!! Our boys and girls have been so busy getting to grips with choreographed dance routines, finding their best angle and dance move for video, singing their hearts out in choir, playing their hearts in football, that they hardly even noticed the super exciting addition to our school yard!! 😂😂

Communion Class

Congratulations to our Second Class boys and girls who made their First Holy Communion May 7th. The boys looked dapper, the girls looked angelic, the choir sounded amazing and the result was a perfect celebration for our perfect angels. A special word of thanks to Ms. Deirdre McDonell for stepping in as pianist at the eleventh hour to save the day and Ms Rogers blushes (who couldn't behave herself on the football pitch and then couldn't play piano)!!

Our School Choir

It has been wonderful reforming our school choir and welcoming new voices to the fold. Rehearsals are underway for the upcoming School Mass and sounding very impressive!! Our recent First Holy Communion performance left Fr. David so in awe he started hinting at forming a Kells Youth Choir. I felt obliged to caution that Ms Rogers is over the choir too, and I couldn't vouch for her reaction at having her singers poached. Cavan people aren't known for sharing and she has a bandaged hand to prove it!! It hasn't been mentioned since, 😂

Football: Ms Lowe & Ms Rogers

Well done to our Boys Football team and Girls Football team for their heroic efforts on the pitch this year in the Football League. Overall we had some impressive victories and disappointing defeats, but more important than the score board of any match is that all who wore the jersey know how proud we are of them!! Bualadh bos ollmhóire do na himreoirí!! 🍌 🍌 🍌

Drumbaragh School really has got talent...

Our school recently took part in the 'Blast: Artists in Schools Initiative' with Ms. Olwyn Lyons preforming a whole school Flash Mob Dance. The results blew teachers and dance instructor away, our boys and girls have some serious dance moves with a host of freestyle dancers preforming in our video.

It was a wonderful experience for all involved and thankfully when the call for "lights, camera, action" came there was no stage fright in sight. The opposite in fact, with some serious star power revealed!! So much so some teachers (Ms. Lowe) were noted mouthing 'remember me when you make it' from behind the scenes!! 😂

The build up to the Late Late Toy Show will be nothing compared to the build up to this release with all eager to see our impressive moves, so have the popcorn at the ready and look out for Mrs Prunty's cameo, all will be revealed soon!!!

*Our Video Stars
Liam, Niamh, & Cillian*

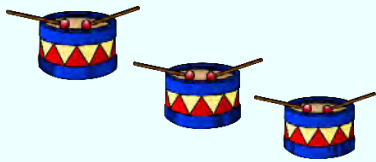

'hey you two, ...pay attention'

*'Shaking to the right,
like Taylor....'*
*'Shaking to the left,
like Taylor....'*

*"Ok, now she is not even making sense,
what way are we supposed to go..."*

Drumroll please....our playground has arrived!!!

This year teachers and pupils alike put a playground on their school wish list, it seemed an ambitious project back in September but after much planning, designing, and fundraising it arrived last week to a lot of delighted little and not so little faces. It has been a wonderful addition for our school yard with all ages really enjoying it. On behalf of myself, staff, and pupils I wish to thank you most sincerely for your generosity in all our fundraising efforts, without it such facilities and resources for our school would not be possible. Thank you.
